## **GEARING UP FOR THE 2011 SUMMER...**

### CHILDREN AND SAFETY

Please remember that you are ultimately responsible for the safety of your children. There is no substitute for your active supervision. The Board of Directors recommend that swimmers be at least 10 years old to swim unaccompanied by a guardian. Those swimmers must be able to pass a swim test conducted by the lifeguard staff. A guardian must be at least 14 years old. Swimmers who are dependent on floatation devices to swim must be accompanied (within one arms length) by an adult swimmer who is also in the water. As we get closer to spending hours on end basking in the fantastic Colorado sun be sure to look for a sunscreen with UVA and UVB protection and teach your children to be sun smart...reapply, reapply, reapply.

### ATTENTION SWIMMERS:

**Bullying, disrespectful language, or profanity on pool grounds will not be tolerated. Parents are responsible for teaching their children these rules.** For the safety of all pool users the diving well and diving board usage will be monitored by the staff and will be limited to the following: The first half of the hour use of the diving board will be allowed. Recreational swimming in the diving well will be prohibited. The second half of the hour the diving well will be free for recreational swimming while the diving board will be off limits.

**\*\*DIVING IS ALLOWED ONLY IN THE DIVING WELL.**

**\*\*HANDS MUST ENTER THE WATER FIRST FOR ALL FORWARD ENTRIES.**

Welcome to the Splash Water Wise **SWIMMING LESSONS** Program. Because space in this letter is limited, all participants will receive a detailed informational handout upon registering for the program. This handout will address class cancellations, refunds, specific class requirements, etc. Please speak with the pool manager or any swim lesson instructor concerning questions you have or to verify the proper placement for your swimmer. Additional information is available on our website & will be available at the pool on opening day. Please register at the pool after opening day.

Session 3 July 11-July 22

Session 2 June 20- July 1

## MEMBER CHECK-IN

The membership check-in database is designed to identify Westfield Pool Members in order to preserve the value of your membership, to promote safety and to minimize liability. Please help the lifeguards enforce this policy by checking in every time you come to the pool.  
*Thank you for your help!*
